- Hear presentations by utility representatives from Southern California Edison and Energy Upgrade California, which include energy efficiency strategies to lower your energy consumption with no or minimal investment. Additionally, a follow-up, on-site, energy audit of your facility may be arranged.
- Obtain Information on solar options from certified providers experienced with SoCal houses of worship.
- Gain access to professionals who can provide advice on solar incentives and financing, including the lease vs. buy option.

Our host for this event, Church of the Foothills, has ample parking and is conveniently located a short distance from the 5 Fwy (Newport Avenue exit), or the 55 Fwy (17th Street exit). Complimentary refreshments will be served. A free will offering will be collected to cover the cost of printed program materials.
