

Hosted by Greater Community Baptist Church, Pacoima, in coordination with California Interfaith Power & Light, Environmental Defense Fund and Mom's Clean Air Force

Community In Action: Are YOU Engaged?

Ever wonder what the faith, environmental, health, and labor sectors are doing to clean up the air we breathe and to lessen the effects of climate change? Are you aware of the issues and already involved, or do you want to know where to start? No problem is too big to fight. Come to this event, hear the latest on what's happening in terms of environmental challenges, and find out ways you can get involved and be part of the solution!
