

You are invited
to our 16th annual observance of the
U.N. International Day of Peace

Friday, September 20, 2019
11:00 a.m. to noon

This year's theme is Climate Action for Peace, based on the thirteenth U.N. Sustainable Development Goal.

Please join us for a one-hour program of information, prayer, song, and reflection as we add a plaque and re-dedicate our Peace Pole – and ourselves – to peace in our world.

All are welcome!
