

## Paris to Pittsburgh: Film Screening & Discussion

From coastal cities to America's heartland, *Paris to Pittsburgh* celebrates how Americans are demanding and developing real solutions in the face of climate change. Learn about leaders who are continuing to take action to transition to a clean energy economy - regardless of federal inaction.

*Run time: 1hr and 17 min.*

**Thursday, Oct. 17  
6:30 - 8:30 pm**

Mother Louis Room,  
St. Joseph Justice Center  
480 S. Batavia St.  
Orange, CA 92868

### **Moderator Bio:**

Allis Druffel is the Southern California Director for California Interfaith Power & Light (CIPL). CIPL is an organization whose mission is to be faithful stewards of creation by responding to global warming as a moral issue. CIPL's network includes 700 congregations of all faiths committed to addressing climate change from Chico to San Diego, Mono Lake to Monterey Bay. Since 2002, member congregations have prevented 223,822,567 pounds of carbon dioxide from entering the atmosphere.

*Hosted by Sisters of St. Joseph of Orange St. Joseph Justice Center*
